DoD Hosted Conferences with Costs Exceeding \$100,000**

DoD Host Organization	Conference Name	Start Date	End Date	Location City	State	Country	Venue	Conference Justification	Competitive Contracts	Waiver (in excess of \$500K)	Audio Video Costs	Actual Refreshment Costs (Food & Beverage)	Actual Other Hosting Costs	Actual Collected Registration Fees	Actual Attendee Travel Cost	Actual Additional Costs	Actual Total Cost	Actual Sponsored Attendees	Actual Total Attendees
OSD - Under Secretary of Defense (Comptroller)	Leadership Workshop - November 4, 2013	11/4/2013	11/8/2013	Southbridge	Massachusetts	USA	Southbridge Executive Training Center	The workshop will bring together individual DCAA management teams and focus on leadership skills and performing quality audits.	N/A	N/A	\$0	\$3,062	\$0	\$0	\$123,504	\$0	\$126,566	170	170
Department of the Air Force	PACAF Fall 2013 Commanders' Conference	11/13/2013	11/15/2013	Joint Base Pearl Harbor-Hickam	Hawaii	USA	Government Facilities on JBPHH	The Fall Conference is a once a year opportunity for Numbered Air Force (NAF), Wing, State Guard commanders and command chiefs from across the Pacific Air Forces area of responsibility to come together in a face-to-face environment to discuss issues around the command. Participants will attend a host of discussion sessions in order to communicate changes and higher headquarters' updates affecting the way PACAF is able to fly, fight, and win. The Air Force senior leader warfighters from the region will expound on their Asia-Pacific knowledge in the areas of culture, politics, protocol, and communicate common challenges in order to enhance regional partnerships and Theater Security Cooperation (TSC). The PACAF leaders will build on their skills necessary to conceptualize, operationalize, and execute US Policy of strategic rebalance to the dynamic Asia-Pacific region.	N/A	N/A	\$0	\$0	\$0	\$0	\$116,409	\$0	\$116,409	121	121
National Guard Bureau	FY 13 Army National Guard Safety and Standardization Workshop (Aviation Programs)	12/2/2013	12/5/2013	Fort Rucker	Alabama	USA	Fort Rucker	This conference is mission critical to execute ARNG programs. It provides a consolidated (and significantly reduced) forum to conduct mandated training for key aviation safety officials, coordinate safety initiatives through regional and national committees, provide program updates to leaders in the field, and promote command awareness and participation in regulatory safety programs.	N/A	N/A	\$0	\$0	\$0	\$0	\$207,152	\$800	\$207,952	145	145
National Guard Bureau	National Guard Senior Leadership Conference (GSLC) - December 2013	12/10/2013	12/12/2013	Arlington	Virginia	USA	Arlington Hall Station	GSLC objectives include ways to assist Joint Force Headquarters-States in the execution of major state and foreign issues, as well as to standardize policies and procedures to ensure they will be better prepared to respond to domestic and foreign emergencies. The conference is a call by the CNGB to National Guard senior leadership, to include The Adjutants General and leaders from the National Guard Bureau. A formal, face-to-face meeting provides a more focused atmosphere without exterior distractions. This conference will also include the Senior Enlisted Advisors from each state, the Command Sergeant Major Advisory Council (CSMAC) and Enlisted Field Advisory Council (EFAC) to discuss enlisted matters, as well as, to honor the 2013 Outstanding Soldiers and Airmen of the Year (OSAY) award winners.	N/A	N/A	\$0	\$0	\$0	\$0	\$249,069	\$0	\$249,069	129	210
US Special Operations Command	Special Operations Medical & Scientific Assembly	12/14/2013	12/17/2013	Tampa	Florida	USA	Tampa Convention Center	This conference will be a science and education based symposia filled with training and partnering opportunities to increase SOF medic capabilities and readiness and directly relating to the daily activities of deployed SOF medical operators. SOF Medics will be able to take what they learned back to their units for mass dissemination in a train-the-trainer methodology.	N/A	N/A	\$0	\$0	\$0	\$0	\$408,764	\$0	\$408,764	197	382
National Guard Bureau	2014 Army National Guard (ARNG) Artillery Conference	1/28/2014	1/29/2014	Little Rock	Arkansas	USA	NGB Professional Education Center	This conference is mission critical and is the only cost effective way to provide ARNG fires senior leaders with the most current information regarding training, force management, doctrine, organization, material, leader, personnel, and facilities (DOTMLPF), and joint integration. Additionally, through the use of breakout sessions, conference attendees identify, assess, and prioritize issues from the field that require the Field Artillery Advisory Council (FAAC), the Air and Missile Defense Advisory Council (AMDAC) and/or Senior Guard Advisor (SGA) action to resolve. The travel required by this conference is essential and the objectives of this conference cannot be satisfactorily accomplished less expensively by correspondence or other means.	N/A	N/A	\$0	\$0	\$0	\$0	\$108,576	\$0	\$108,576	124	124
Joint Chiefs of Staff	FY14 Joint Training Integration and Exercise Workshop (IEW)	1/28/2014	1/30/2014	Arlington	Virginia	USA	George Mason University, Arlington Campus	OSD directed the Joint Staff as lead for developing and implementing an interagency-process to support stability operations and peacekeeping. This workshop will be conducted at George Mason University's (GMUs) Arlington Campus. As a key J7 partner in other civ-mil cooperation efforts. Multiple products will be produced to support JS-J7 mission requirements to include IA/DoD support requirements; an analysis of successful Civ/Mil teaming efforts and recommendations for implementing best practices into training and education; strategic partnering and what future Civ/Mil partnering models may look like; and best instructional methodologies to facilitate teaching consideration of national objectives, incorporation of other agencies' philosophies and mandates, and formulation of common goal DoD and mission partners will use the products to assist in development of current and future exercise and training events that support DoD and partner cooperation and integration.	N/A	N/A	\$0	\$0	\$0	\$0	\$118,439	\$0	\$118,439	75	75
OSD - Under Secretary of Defense (Comptroller)	Leadership Workshop Feb 3, 2014	2/4/2014	2/6/2014	Southbridge	Massachusetts	USA	Southbridge Executive Training Center	The workshop will bring together individual DCAA management teams and focus on leadership skills and performing quality audits.	N/A	N/A	\$0	\$3,000	\$0	\$0	\$117,475	\$0	\$120,475	162	162
OSD - Under Secretary of Defense (Comptroller)	Leadership Workshop - Feb 10, 2014	2/11/2014	2/13/2014	Southbridge	Massachusetts	USA	Southbridge Executive Training Center	The workshop will bring together individual DCAA management teams and focus on leadership skills and performing quality audits.	N/A	N/A	\$0	\$3,000	\$0	\$0	\$120,340	\$0	\$123,340	165	165
Department of the Army	Worldwide Aviation Logistics Conference	2/9/2014	2/14/2014	Huntsville	Alabama	USA	Sparkman Center, Redstone Arsenal	The purpose of the Worldwide Aviation Logistics Conference is to address strategic issues impacting aviation readiness and to develop solutions to best support current and future aviation operations. This event is critical to ensuring successful aviation transformation in the combatant area of operations and in Garrisons pending the Secretary of the Army's Aviation Restructuring Decision.	N/A	N/A	\$0	\$0	\$0	\$0	\$108,655	\$0	\$108,655	196	196
National Guard Bureau	National Guard Senior Leadership Conference (GSLC) - February	2/24/2014	2/27/2014	Arlington	Virginia	USA	Arlington Hall Station	National Guard Senior Leadership Meetings are a call by the Chief, National Guard Bureau (NGB) to discuss a wide spectrum of topics with National Guard Senior Leadership (NGB Leadership and the State Adjutants General). Meeting objectives include ways and means to assist the JFHQ-States in the execution of major state and foreign issues. An additional meeting goal is to standardize policies and procedures so that our JFHQ-States will be better prepared to respond to domestic and foreign emergencies.	N/A	N/A	\$0	\$0	\$0	\$0	\$150,399	\$960	\$151,359	105	178
OSD - Under Secretary of Defense (Comptroller)	Leadership Workshop Feb 24, 2014	2/25/2014	2/27/2014	Southbridge	Massachusetts	USA	Southbridge Executive Training Center	The workshop will bring together individual DCAA management teams to focus on leadership skills and performing quality audits.	N/A	N/A	\$0	\$3,000	\$0	\$0	\$118,645	\$0	\$121,645	170	170
OSD - Under Secretary of Defense (Comptroller)	Leadership Workshop Mar 4, 2014	3/4/2014	3/6/2014	Southbridge	Massachusetts	USA	Southbridge Executive Training Center	The workshop will bring together individual DCAA management teams to focus on leadership skills and performing quality audits.	N/A	N/A	\$0	\$3,000	\$0	\$0	\$125,279	\$0	\$128,279	151	151
National Guard Bureau	ARNG MILPO/G1 Workshop	3/3/2014	3/7/2014	Hattiesburg	Mississippi	USA	Camp Shelby	This is the most cost effective way to provide the 54 State and Territory Military Personnel Officers (MILPO)/G1s and select staff with the most current plans and information regarding meeting the approved ARNG FY14 Senior Leader Integrated Priority list (SLIPL) objectives, and the Secretary of the Army Directive 2012-08 (Army Total Force Policy). Additionally, through the use of facilitated breakout sessions, the workshop attendees and staff proponents will receive an in-depth understanding on how to sustain the future of manning and readiness (i.e., new OER training, IPPS-A processes and milestones, use of innovative readiness tools, FY14-15 mission alignment notification procedures and goals, and how we will foster a positive command climate that reduces abuse, sexual harassment, and assaults).	N/A	N/A	\$0	\$0	\$0	\$0	\$224,191	\$0	\$224,191	201	212
National Guard Bureau	FY 14 G3 Synchronization Workshop	3/10/2014	3/14/2014	Little Rock	Arkansas	USA	NGB Professional Education Center	The workshop is essential to synchronizing the collective efforts of the 54 states and territories and the ARNG, in preparing ANRG units for operational missions, and development of plans and policy that affect the force. All State G3s and select staff will gather to coordinate ARNG operations and initiatives among the 54 States and Territories. Conduct of this workshop is essential to ensure States identify key issues and make recommendations about salient points affected by, or affecting our collective efforts towards producing operational units ready for deployment. The objectives of this workshop cannot be accomplished through Web-based communication, or teleconferencing.	N/A	N/A	\$0	\$0	\$0	\$0	\$374,634	\$0	\$374,634	449	449

**FY14 DoD Annual Conference Report:
DoD Hosted Conferences with Costs Exceeding \$100,000**

DoD Host Organization	Conference Name	Start Date	End Date	Location City	State	Country	Venue	Conference Justification	Competitive Contracts	Waiver (in excess of \$500K)	Audio Video Costs	Actual Refreshment Costs (Food & Beverage)	Actual Other Hosting Costs	Actual Collected Registration Fees	Actual Attendee Travel Cost	Actual Additional Costs	Actual Total Cost	Actual Sponsored Attendees	Actual Total Attendees
Joint Chiefs of Staff	FY14 FJFD Joint Concept Division Futures Seminars	3/17/2014	3/19/2014	Laurel	Maryland	USA	Johns Hopkins University	The DD Future Joint Force Development (FJFD) certifies that the execution of this seminar event is essential to the development of JCD futures task. The attendees represent a cross section of subject matter experts selected from the Services, Combatant Commands, OSD, the Joint Staff, and select Defense Agencies as well as 10 subject matter experts from outside of DOD who can provide a nonmilitary perspective in key areas. The Joint Concept Division Futures Seminar is designed to fully explore the militarily relevant trends in Science, Technology & Engineering (STE) through subject matter experts' sustained face-to-face interaction over a three-day period. Key areas of examination include Materials Technology (Smart, Meta, Micro, Nano); Directed Energy Systems; Robotics, Autonomous Systems and Artificial Intelligence; Open-source Design, 3D Printing & Additive Manufacturing; Energy Production, and Delivery and Use. The seminar will not simply focus on singular trends, but instead on the identification of militarily relevant implications based on combinations of these trends.	N/A	N/A	\$0	\$0	\$0	\$0	\$228,252	\$0	\$228,252	62	62
US Central Command	Security Cooperation Education and Training Working Group (SCETWG)	3/17/2014	3/20/2014	Tampa	Florida	USA	Wyndham Westshore Hotel Tampa Fl.	Annual SCETWG projects/finalizes annual professional military education, management, post-graduate school, and technical training per requirements identified by AOR nations to Security Cooperation Offices (SCO).	N/A	N/A	\$0	\$0	\$5,600	\$3,175	\$265,690	\$0	\$274,465	109	127
National Guard Bureau	Data Processing Advisory Council Professional Development Workshop	3/23/2014	3/28/2014	Southbridge	Massachusetts	USA	Southbridge Conference Center	Training is mandatory IAW AR 25-2, "Information Assurance," 23 March 2009 and DoD Directive 8570.01, "Information Assurance Training, Certification, and Workforce Management," 15 August 2004, to maintain required certifications for proper funds control and accountability for employees working with the Data Processing Center. Based on the nature of the work, number of participants, and duty stations across the United States, the use of teleconferencing or other means will not accomplish course objectives.	N/A	N/A	\$0	\$0	\$0	\$0	\$257,865	\$175	\$258,040	157	157
National Guard Bureau	Louisiana National Guard 2014 All-Hazard Coordination Workshop	3/24/2014	3/28/2014	New Orleans	Louisiana	USA	Jackson Barracks	The objective of the conference is to identify state and regional capability shortfalls for emergency response, identify states that can provide the resources needed, as well identify the resources needed to field regional response forces in case of a multi-state emergency. Conference attendees will include two participants from each state and territory plus a small number from NGB and associated organizations like NORTHCOM and FEMA. Due to the interactive nature of the negotiation process at the regional and national level, all parties must be present to effectively coordinate their EMAC needs and commitments within their region and nationwide.	N/A	N/A	\$0	\$0	\$0	\$0	\$288,856	\$3,862	\$292,718	170	175
National Guard Bureau	Spring 2014 Chief of Staff Advisory Council Meeting	4/8/2014	4/10/2014	Arlington	Virginia	USA	Arlington Hall Station	The national COSAC provides an opportunity for the Chiefs of Staff from each State, Territory, and the District of Columbia to develop solutions to issues, organization-wide and regional, facing the Army National Guard. The mission of the COSAC is to provide advice to the Chief of Staff, ARNG, Director, Army National Guard (DARNG), and the Adjutants General of the United States (AGAUS) on matters affecting policy, plans, programs, resources, training, readiness, and operations of ARNG units and Soldiers. In addition to national level discussion, the COSAC Executive Committee (EC) which is comprised of the COSAC national chair, vice chair, regional chairs, and the Chief of Staff, ARNG, will have a separate breakout session during the conference. The national COSAC conducts no more than two face to face meetings annually, with one typically held in conjunction with another ARNG event.	N/A	N/A	\$0	\$0	\$0	\$0	\$127,316	\$0	\$127,316	71	73
Department of the Army	2014 U.S. Army Cadet Command George C. Marshall Leadership Awards and Seminar	4/13/2014	4/16/2014	Lexington	Virginia	USA	VMI/Washington & Lee University	USACC recruits, trains and commissions the future officer leadership of the Army. Inherent to this critical mission is the implied task of training, developing, and retaining top-quality Cadets in Army ROTC programs. This task is accomplished by providing all Cadets with the opportunity to receive meaningful leader development training and recognition/incentives based on their performance within their respective programs.	Yes	N/A	\$0	\$0	\$146,654	\$0	\$204,490	\$812	\$351,956	187	187
National Guard Bureau	General and Flag Officer Homeland Security Executive Seminar	4/13/2014	4/17/2014	Cambridge	Massachusetts	USA	Harvard's John F. Kennedy School of Gov't	The seminar will assist the National Guard, the United States Coast Guard, and other agencies in developing leadership skills and organizational capabilities to respond to 21st century homeland security emergencies. Through intensive case study-based discussion of recent events, participants will develop concepts and frameworks for the design and execution of response in complex, multi-jurisdictional environments. The program will convene senior leaders from across the National Guard and US Coast Guard.	Yes	N/A	\$0	\$0	\$0	\$0	\$65,272	\$40,291	\$105,563	36	36
National Guard Bureau	Army National Guard 2014 Training Center University	4/21/2014	4/25/2014	Little Rock	Arkansas	USA	NGB Professional Education Center	The TCU provides selected training center staff members mission critical training on updated regulatory requirements, installation management, program guidance, and range operations/safety. This makes the TCU, as the only workshop conducted by ARNG-TRS, critical to ensure legal, safe and efficient official operations on ARNG training centers, in the 54 States & Territories. Representatives collaborate to provide instructional training and facilitate/conduct functional forums for training center staff development, range master planning, range safety issues, fiscal resource management, cultural, environmental & natural resource planning. The TCU combines two formerly independent events last conducted in 2011: the Training Center Managers' Workshop and the Sustainable Range Program/In Progress Review. Combining these two events into one venue, TCU provides significant cost savings to the Army.	N/A	N/A	\$0	\$0	\$0	\$0	\$223,398	\$0	\$223,398	252	252
OSD - Under Secretary of Defense (Acquisition, Technology & Logistics)	2014 Biennial Meeting of the DoD Native American Lands Environmental Mitigation Program (NALEMP)	4/29/2014	5/1/2014	Omaha	Nebraska	USA	U.S. Army Corps of Engineers	Bring together DoD and tribal nation partners to develop strategies to enhance the efficiency of program operations, ensure effective fiscal management, and capture lessons learned from this successful government - to - government partnership	Yes	N/A	\$0	\$300	\$0	\$0	\$114,785	\$0	\$115,085	18	80
National Guard Bureau	General Fund Enterprise Business System Training	4/28/2014	5/2/2014	Phoenix	Arizona	USA	Phoenix Convention Center	GFEBs is the financial management system the Army developed so that it can improve the timeliness and reliability of financial information and obtain a clean audit opinion. The Army developed the GFEBs program to meet a Secretary of Defense goal for the Military Services to comply with the Chief Financial Officers Act of 1990 and the Federal Financial Management Improvement Act of 1996. The GFEBs training is being conducted in order to meet the DOD mandated requirement of having an audit ready Statement of Budgetary Resources by the end of Fiscal Year (FY) 2014 and the statutory requirement of a full financial statement by FY17. This event is necessary to carry out the statutory command and staff oversight function for audit.	Yes	N/A	\$18,929	\$0	\$0	\$0	\$410,425	\$0	\$429,354	250	250
National Guard Bureau	2014 Medical Training Conference	4/28/2014	5/2/2014	Kingwood	West Virginia	USA	Camp Dawson Conference Center	The Medical Team training will provide annual training to the ARNG State Surgeons, State Dental Officers, Deputy State Surgeons, Occupational Health Nurses/Specialist and unit medical readiness NCOs on topics to include Medical Operations, Continuing Medical Education for providers, Preventive Medicine, Clinical Operations, Medical Logistics, and Resource Management. States are encouraged to send the members that will benefit the most from the training and that could contribute the most to the networking opportunities/cross-talks.	N/A	N/A	\$0	\$0	\$0	\$0	\$344,487	\$0	\$344,487	302	316
National Guard Bureau	2014 U.S. Southern Command (SOUTHCOM) State Partnership Program (SPP) Conference for The Adjutants General (TAGs)	4/28/2014	5/2/2014	Miami	Florida	USA	SOUTHCOM's Conference Center of the Americas	The 2014 SOUTHCOM SPP Conference for TAGs will facilitate discussions between CNGB, the SOUTHCOM commander, Service component commanders, and TAGs with partner nations in SOUTHCOM's Area of Responsibility on the alignment of State SPP events with security cooperation themes and objectives. Concurrently, the conference will provide guidance and training to Bilateral Affairs Officers (BAOs), Traditional Commander's Activities Coordinators, and SPP Coordinators regarding SPP events for Fiscal Year 2015 and beyond.	N/A	N/A	\$0	\$0	\$0	\$0	\$199,222	\$0	\$199,222	89	92
Department of the Air Force	Air Vehicle Survivability Workshop	5/6/2014	5/8/2014	Bedford	Massachusetts	USA	MIT/LL Facility	The Air Vehicle Survivability Workshop (AVSW) is a forum for disseminating data, synchronizing survivability efforts, supporting acquisition decisions, and assisting COCOM planners. This annual conference is attended by experts from industry, academia, and DoD.	N/A	N/A	\$0	\$0	\$52,404	\$18,900	\$108,325	\$0	\$179,629	84	221

**FY14 DoD Annual Conference Report:
DoD Hosted Conferences with Costs Exceeding \$100,000**

DoD Host Organization	Conference Name	Start Date	End Date	Location City	State	Country	Venue	Conference Justification	Competitive Contracts	Waiver (in excess of \$500K)	Audio Video Costs	Actual Refreshment Costs (Food & Beverage)	Actual Other Hosting Costs	Actual Collected Registration Fees	Actual Attendee Travel Cost	Actual Additional Costs	Actual Total Cost	Actual Sponsored Attendees	Actual Total Attendees
National Guard Bureau	2014 National Guard State Partnership Program Training Workshop	5/5/2014	5/9/2014	Miami	Florida	USA	SOUTHCOM's Conference Center of the Americas	This workshop fulfills training requirements for SPP program manager responsibilities. It conveys Department of Defense strategic-level security cooperation guidance (Global Employment of the Force, Joint Readiness Initiatives, Defense Readiness Reporting System) and provides training on implications for U.S. States' programs. The workshop finalizes current and next Fiscal Year event management requirements and ensures that program managers keep abreast of the latest policy and funding guidance.	N/A	N/A	\$1,250	\$0	\$0	\$0	\$271,471	\$0	\$272,721	189	189
Department of the Navy	Military Divers Training Continuum	5/6/2014	5/9/2014	Keyport	Washington	USA	Naval Undersea Museum	This conference provides training critical for continued safe and effective diving, including operational risk management and planning, oxygen worker, continuance of certification training for diving systems from certification experts, advanced salvage calculations, advanced diving systems and equipment. MDTC facilitates organizational learning across a diverse USN diving community and other military branches to share best practices and increase efficiencies with regard to doctrine, organization, training, materiel, leadership, personnel, and facilities through open discussions. The desired effects and outcomes include stemming diving mishaps by effective application of operational risk management/mission planning, enhanced mission readiness through continued certification of diving systems world-wide, and addressing issues of leveraging technology to effect safer and more efficient diving through open forum discussion of "way ahead's" for the diving community.	N/A	N/A	\$0	\$0	\$37,800	\$0	\$100,540	\$0	\$138,340	100	225
Department of the Navy	2014 Office of the General Counsel Annual Seminar	5/12/2014	5/15/2014	Arlington	Virginia	USA	Hyatt Regency Crystal City	This conference is designed to align members with senior Departmental, Navy, and Marine Corps goals, explore best practices, develop consistent legal strategies, and provide professional training for attorneys. The topic specific seminars, plenary sessions, and breakout sessions provide attendees with CLE credits required to maintain state licensure.	Yes	N/A	\$37,600	\$0	\$10,150	\$0	\$242,891	\$0	\$290,641	518	518
Department of the Army	19th Biennial US Army Medical Defense Bioscience Review	5/12/2014	5/15/2014	Hunt Valley	Maryland	USA	Wyndham Hunt Valley Hotel	The US Army Medical Defense Bioscience Review provides a venue for gathering researchers in medical defense (MCD) research and related topics for a collective international biennial overview of the research and related topics for a collective international biennial overview of the research area and program. The event affords and opportunity for a direct international scientific exchange of ideas and information. The Bioscience Review provides the singular and definitive international meeting devoted exclusively to MCD. Also, this review uniquely recognizes excellence in MCD through the awarding of a lifetime achievement award in the field, the Clarence Broomfield Award.	N/A	N/A	\$7,000	\$0	\$87,559	\$0	\$7,511	\$500	\$102,570	331	331
Department of the Navy	2014 Submarine Technology Symposium	5/13/2014	5/15/2014	Laurel	Maryland	USA	John Hopkins University Applied Physics Laboratory	To facilitate the development and employment of new and emerging technologies for current and future Undersea Warfare capability, ensuring the technical community is aligned with the Submarine Force's strategy as outlined in the Design for Undersea Warfare. This forum ensures the synchronization across the community of military, government, industry, and academia.	N/A	N/A	\$0	\$0	\$0	\$50,225	\$53,587	\$0	\$103,812	122	500
National Guard Bureau	Air National Guard Executive Safety Summit and Command Chief's Meeting	5/13/2014	5/16/2014	Volk	Wisconsin	USA	Volk Combat Readiness Training Center	The purpose and objective of the ESS is to enhance safety awareness at state and wing command levels while complying with orders issued by the Chief of Staff of the Air Force (CSAF). The Command Chief's Meeting is an ANG business meeting for the 54 ANG State, District, and Territory Command Chiefs and the 89 ANG Wing Command Chiefs. The intent is to provide the ANG Command Chief the platform to engage, educate, and inform the Command Chiefs on upcoming programs to be released in Summer 2014.	N/A	N/A	\$1,188	\$0	\$36,367	\$0	\$360,298	\$0	\$397,853	326	326
National Guard Bureau	G4 Logistics National Workshop	5/18/2014	5/22/2014	Little Rock	Arkansas	USA	NGB Professional Education Center	The primary purpose of the G4 Logistics National Workshop is to provide guidance and execution tools to the leaders and advisors of the ARNG logistics community in order to meet evolving Headquarters, Department of Army/ARNG policy guidance concerning the fiscal environment and execution, ARFORGEN, readiness goals, and support to deploying units. This meeting will provide a unique open forum for the exchange of information between the States/Territories and the subject matter experts at the national level. Facilitated by this environment, attendees exclusively focus on logistics challenges and problems requiring input from all levels of ARNG logistics.	N/A	N/A	\$0	\$0	\$0	\$0	\$242,504	\$0	\$242,504	274	274
US Special Operations Command	International Special Operation Forces (ISOF)	5/19/2014	5/22/2014	Tampa	Florida	USA	Tampa Convention Center	ISOF 2014 placed great emphasis on multinational cooperation by working with and through international partners to promote multinational SOF cooperation by building capacity, supporting interoperability and forging trust with international partners and allies. An international event, ISOF focused on leveraging non-U.S. experts and encouraging participation from attendees with U.S. SOF leaders sharing insights with international SOF leaders.	Yes	Yes	\$0	\$0	\$656,780	\$0	\$928,381	\$0	\$1,585,161	482	659
Department of the Navy	Joint Army-Navy-NASA-Air Force (JANNAF) Interagency Propulsion Committee Meetings	5/19/2014	5/22/2014	Charleston	South Carolina	USA	Charleston Convention Center	The JANNAF meetings provide the only opportunity for DoD researchers to present their work in an ITAR-restricted environment. This enhances collaboration and coordination, reduces the chance of duplication, and facilitates the transition to industry (as they also attend). Meeting attendance is restricted to U.S. citizens with a need to know. Non-government attendees must have their employment confirmed with an organization certified with the Defense Logistics Agency (DLA). This meeting is planned to include 35-50 technical sessions; a keynote address; specialist sessions; JANNAF subcommittee technical steering group, business, and panel meetings; and Executive Committee meetings.	N/A	N/A	\$0	\$0	\$0	\$101,850	\$193,844	\$0	\$295,694	124	305
US Special Operations Command	USSOCOM Care Coalition Conference	5/20/2014	5/22/2014	Tampa	Florida	USA	Marriott Downtown Tampa	USSOCOM Care Coalition is an annual event and is a unique opportunity for SOF leadership, senior spouses, personnel, medical, family readiness, other government agencies, and non-federal entities that support SOF to come together to discuss issues pertaining to Wounded Warriors and their families. Department of the Navy	Chaplain Corps Strategic Leadership Symposium	7/29/2014	8/1/2014	Washington	District of Columbia	USA	Admiral Gooding Center/Marriot Capitol Hill	This meeting will address three areas of mission critical concern: 1) Alignment of strategic direction and leadership priorities from the perspective of DON, Navy, Marine Corps, and CHC executive leaders. 2) Enhance collegiality, collaboration and trust among CHC senior leaders. Major social changes have occurred since the last senior leader gathering. Matters such as same-sex marriage and heightened religious diversity create friction points along various faith tradition lines, and impact chaplains and those they serve. Participation at this meeting will equip senior leaders to better plan, execute and measure the delivery of religious ministry across the Naval service, and to mentor subordinate chaplains and supervise the provision of CHC core capabilities. Department of the Navy	Modern Day Marine	9/23/2014	9/25/2014	Quantico	Virginia	USA	Marine Corps Base Quantico	The MDMME is an annual, enterprise-level industry forum at which vendors are invited to show their products and services in a manner that provides Marine Corps leadership, requirements, and procurement personnel with a general preview of emerging capabilities and technology. The MDMME brings together a wide cross-section of the acquisition, business, and research communities, as well as government officials, active duty military, and private industry. The event also provides potential contractors with a fair opportunity to receive information on how to do business with the Marine Corps and a general preview of the kind of products that may be procured in the future. National Guard Bureau	2014 National Guard National Volunteer Workshop	8/12/2014	8/15/2014	Norman	Oklahoma	USA	USPS National Center for Employee Development	This CNGB-hosted workshop is a two-day curriculum based event, which teaches, educates, empowers, and provides certifications with the Guard Family Team Building Program. The attendees receive certification-based training, the tools and knowledge to return to their states. As this is required training, the attendee list of statutory volunteers was lowered to eight per state with few additional attendees (National Volunteer awardees and their Adjutants General, trained certified trainers, and supporting NG-J1 Staff). It is the most cost-effective option achieving the requirement of accreditation within family programs.	N/A	N/A	\$2,500	\$0	\$0	\$0	\$413,953	\$6,383	\$422,836	384	414
National Guard Bureau	Homeland Response Force/CBRN Enhanced Response Force Package Working Group (HRF/CERFPWG)	8/18/2014	8/22/2014	Little Rock	Arkansas	USA	Professional Education Center	The HRF/CERFP WG is a Chief, National Guard Bureau chartered event, and its goal is to conduct gap analysis and recommend solutions from the user level for doctrine, organization, training, materiel, leadership, personnel, and facilities (DOTMLPF) requirements of the HRF/CERFP WG program. Alternate means, such as Video Teleconference (VTC) or other Web-based communications, are insufficient to accomplish the mission.	N/A	N/A	\$0	\$0	\$0	\$0	\$341,125	\$0	\$341,125	234	242
OSD - Under Secretary of Defense (Acquisition, Technology & Logistics)	MSS Active/Infared Countermeasures (IRCM) Symposium	8/25/2014	8/28/2014	Springfield	Virginia	USA	NGA	The symposium will bring together approximately 200 members of the IRCMcommunity. Attendees will benefit from the review and discussion of the state of the art IRCM technology, the review of ongoing programs and the exploration of areas for intra agency collaboration. National Guard Bureau	NG-J5 Training Course	8/4/2014	8/8/2014	Mobile	Alabama	USA	US Army Corps of Engineers Readiness Support Ctr	The focus of the training course is to educate State J5s, their staff, and NG-J5 staff on the roles and responsibilities of the J5 at all levels using Joint Publication 5.0. Most new J5s in the States do not have a background in CONPLANS, Strategic Planning, State Partnership Program, and Homeland Defense & Civil Support. Failure to provide the training will result in the degradation of the State J5s ability to accomplish their mission critical tasks for their State's Adjutant General. This training has been determined mission essential to provide a basic overview of all J5 functions including Plans, Strategy, Policy, Interagency Coordination, and International Affairs. NG-J5 staff, State J5s, and NORTHCOM provide instructors for the course.	N/A	N/A	\$0	\$0	\$0	\$0	\$97,470	\$1,500	\$98,970	60	60
US Strategic Command	2014 USSTRATCOM Deterrence Symposium	8/13/2014	8/14/2014	La Vista	Nebraska	USA	La Vista Conference Center	A focused forum that will increase intellectual capital in deterrence theory and set in motion an information exchange among DOD, US gov't, industry, academia, and international participants with the goal of exploring the full range of deterrence thinking during a single event.	Yes	N/A	\$26,000	\$0	\$52,500	-\$39,600	\$234,000	\$4,400	\$277,300	300	605
National Guard Bureau	Air National Guard - NGB A7XX Readiness Conference	8/19/2014	8/21/2014	Knoxville	Tennessee	USA	McGhee-Tyson ANGB	The purpose and objective of the 2014 Civil Engineer Readiness Conference is to share information with conference attendees and facilitate discussion of common challenges across functional lines, while also providing an opportunity for networking that is conducive to knowledge building. Conference Agenda includes Status of Resources and Training System (SORTS) reviews, updates on the Deployment for Training (DFT) Program, Blue Suit Review updates, Mobilization process and the future of mobilizations under the new Air Expeditionary Force (AEF) Next construct.
