

Hire-to-Retire (End-to-End Views)
 System Architect
 Thursday, March 08, 2012 2:05 PM
 Comment:
 Hire to Retire encompasses all business functions necessary to plan for, hire, classify, develop, assign, track, account for, compensate, retain and separate the persons (i.e. military members, civilian employees, contractors, noncombatant evacuees, volunteers) needed to accomplish aspects of the DoD mission.
